Bill to Allocate Funds for Overhead Projector System in the GCC’s Havana Room
ASSU-S2014-2

Authors: Trevor Martin
Submitted for consideration: 4/9/14
Action Requested: 2/3 Approval of the Undergraduate Senate and the Graduate Student Council

WHEREAS, the Havana Room in the Graduate Community Center (GCC) is used extensively by graduate student organizations and the Graduate Student Council itself; and
WHEREAS, many of the groups that use this room mentioned above have need of a projection system to display presentations and slideshows in general; and
WHEREAS, there is currently no overhead projection system available in the Havana Room and setting up portable systems is often arduous because of projector placement and resolution; and
WHEREAS, Residential and Dining Enterprises has offered to fund 50% of the cost of installing such a system if the Graduate Student Council funds 50% of the cost of such a system,

THEREFORE be it enacted by the joint legislative bodies of the association:

THAT the $10,745 from the buffer fund be allocated to install an overhead projector system in the Havana Room in cooperation with Residential and Dining Enterprises
THAT a plaque with the GSC logo be installed in the Havana Room to illustrate the Graduate Student Council’s contribution.
