A bill to allocate discretionary funds to create a sign recognizing the GSC and other groups that have worked to bring a water filling station to Old Union

Graduate Student Council Bill
GSC-2014-20

Author: Susie Choi

Submitted for consideration: May 14, 2014

Action Requested: 2/3 approval by the Graduate Student Council

WHEREAS Graduate Student Council representatives have worked with students and administrators to install a water filling station on the second floor of Old Union,

WHEREAS putting up a sign informing the public about the students', the Office of Sustainability's, and the Old Union building manager's efforts would be preferable,

WHEREAS Stanford’s Architectural Trades Supervisor has provided a price quote of $300 for creating and putting up such a sign consistent with signage in Old Union,

WHEREAS the Office of Sustainability will be contributing $150 from its Green Fund,

THEREFORE BE IT ENACTED BY THE GRADUATE STUDENT COUNCIL:

THAT the Graduate Student Council allocate $150 from discretionary funds (or, if there is any change from the price quote in the final price, the remainder of the final price after subtracting Green Fund’s contribution) to create and install a sign as described above.
