Graduate Student Council
2007 GO Pass for Off-Campus Graduate Students
Information Sheet

Please read this note, sign one copy, and fill out the accompanying survey before picking up your GO Pass at Parking & Transportation Services. The survey questions will help us design the ballot measure for the April 2007 ASSU Elections that will include long-term funding for the GO Pass for off-campus students.

The 2007 GO Pass for off-campus graduate students has been made possible with major financial support from the Office of the Provost. Additional funds were provided by the Graduate Student Council and the Deans of the following Schools: Engineering, Humanities and Sciences, Medicine, Law, Business, and Education. The 2007 grad student GO Pass will cost \$99.50 (non-refundable).

Continuation of the GO Pass for subsequent years is entirely dependent on successful passage of a special fees ballot measure in the April 2007 ASSU Elections. A similar measure was proposed in 2006, but did not receive the necessary votes to pass. Details of the new measure, which will again ask for a special fee levied on the graduate student population, will be made available in March.

IF THE 2007 BALLOT MEASURE DOES NOT PASS,
THE GO PASS PROGRAM WILL NOT BE EXTENDED.

I hereby confirm that I have read the above notice and that I am aware of the necessity of passage of the 2007 ballot measure for the continuation of the GO Pass program for off-campus graduate students.

Name: _____

Student ID#: _____

Date: _____

Signature: _____

(The above signature is required to obtain a 2007 GO Pass.)

Optional information:

- I would like to be informed about the future of the GO Pass and would therefore like to join the grad-commute email list. This is a very low volume announcement list (usually just a few messages per month).
- I would like to be informed if there are small things I can do to help the 2007 ballot measure pass in April.
