Graduate Student Council V – NomCom – 4

Author: Hunter Hargraves, NomCom Chair

Submitted: 21 May 2003

Action Requested: Approval

WHEREAS the Nominations Commission is charged with the responsibility of nominating students to serve on university and Board of Trustee Committees,

WHEREAS a very cantankerous Commission has neglected their significant others, homework, social lives, and friends in reading over 600 committee applications and interviewing over 200 applicants,

WHEREAS the Board of Trustees recently finished their interview and application process, allowing the Commission to bring Spring Cycle deliberations to an unfortunate and melodramatic close,

WHEREAS the following nominees have demonstrated exemplary perspectives on student representation and the specific nature of their committee’s work,

THEREFORE BE IT ENACTED BY THE GRADUATE STUDENT COUNCIL OF THIS ASSOCIATION:

THAT Guha Jayachandran, Computer Science, and Eric Liu, Business, be nominated to serve on the Advisory Panel on Investment Responsibility,

THAT Michael Beman, Earth Sciences, be nominated to serve on the Committee on Land and Building Development,

THAT Eric Allison, Aeronautical and Astronautical Engineering, be nominated to serve on the Committee on Public Events,

THAT Maria Elena Gonzalez, Sociology, and Leal Hsiao, Medicine, be nominated to serve on the Acts of Intolerance Committee,

AND THAT Blake Naughton, Education, be nominated to serve on the Student Activities Space Task Force.
